

# Navigation Report

## 11-8-23

1. High Water has been Minimal.
2. Summary of 2023 Lock Closures in Pittsburgh
  - a. **Montgomery Changes** (Delays have not been nearly as bad as anticipated)
    - i. Main Chamber closures
      1. Oct 17<sup>th</sup> – Nov 22<sup>nd</sup>
      2. Nov 26<sup>th</sup> – Dec 22<sup>nd</sup>
    - ii. Aux Chamber closures
      1. Sept 25<sup>th</sup> – Oct 17<sup>th</sup>
      2. Nov 22<sup>nd</sup> – Nov 25<sup>th</sup>
    - iii. **Note: during the large chamber openings there WILL NOT be a 70' width restriction. We will have the whole chamber, which is a big advantage on clearing the delays out.**

I do not have much else to report at this time other than as we always say do not let crews get complacent.
